

Ubports foundation and Ubuntu[®] Touch

Getting in Touch with the community

About us

The Ubports foundation

Maintain and develop Ubuntu Touch

Federate the community

Promote Ubuntu Touch as a viable alternative

Paul (a.k.a AppLee)

Board member of the foundation

co-host of our Q&A

About UBports

Three pillars:

- **Compatible hardware**
- **OS Development**
- **App Development**

About UBports

To make the dream happen we need:

- **Compatible devices: Thanks Volla !**
- **Porting effort to newer devices**

About UBports

To make the dream happen we need:

- **Compatible devices: Thanks Volla !**
- **Porting effort to newer devices**
- **Developers**
- **App developers**

About UBports

To make the dream happen we need:

- **Compatible devices: Thanks Volla !**
- **Porting effort to newer devices**
- **Developers**
- **App developers**
- **Feedback and support from users**
